CORPORATE ACTIVITIES

DAY SKIING, NIGHT SKIING

Located less than an hour from Montreal, Sherbrooke and Drummondville, our mountain is the ideal venue for your ski outings – day or night. We have an acclaimed ski school which has one of the largest practice areas in Quebec and we offer many options for beginners, including ski lessons and equipment rental. Already an expert skier? You'll enjoy our many challenging trails, as well as the illuminated area for night skiing – the largest in North America.

ALPINE TOURING AND SNOWSHOEING

Alternative ways to get to the top of the mountain - try alpine touring, snowshoeing or hiking! You'll be rewarded with wonderful views from any one of our varied-level trails. Cap off your efforts by hurtling down your favorite slope.....then do it all over again!

TEAM BUILDING

We can offer you all kinds of challenges and techniques – stimulating, psychometric (so you can measure results) and even downright wacky – that will help to build relationships between members of your team, revealing aspects of their personalities and forging closer bonds with your company.
